JPMorgan Chase

**Vice Chair**  
**Fraud Work Group**

# Why Now?

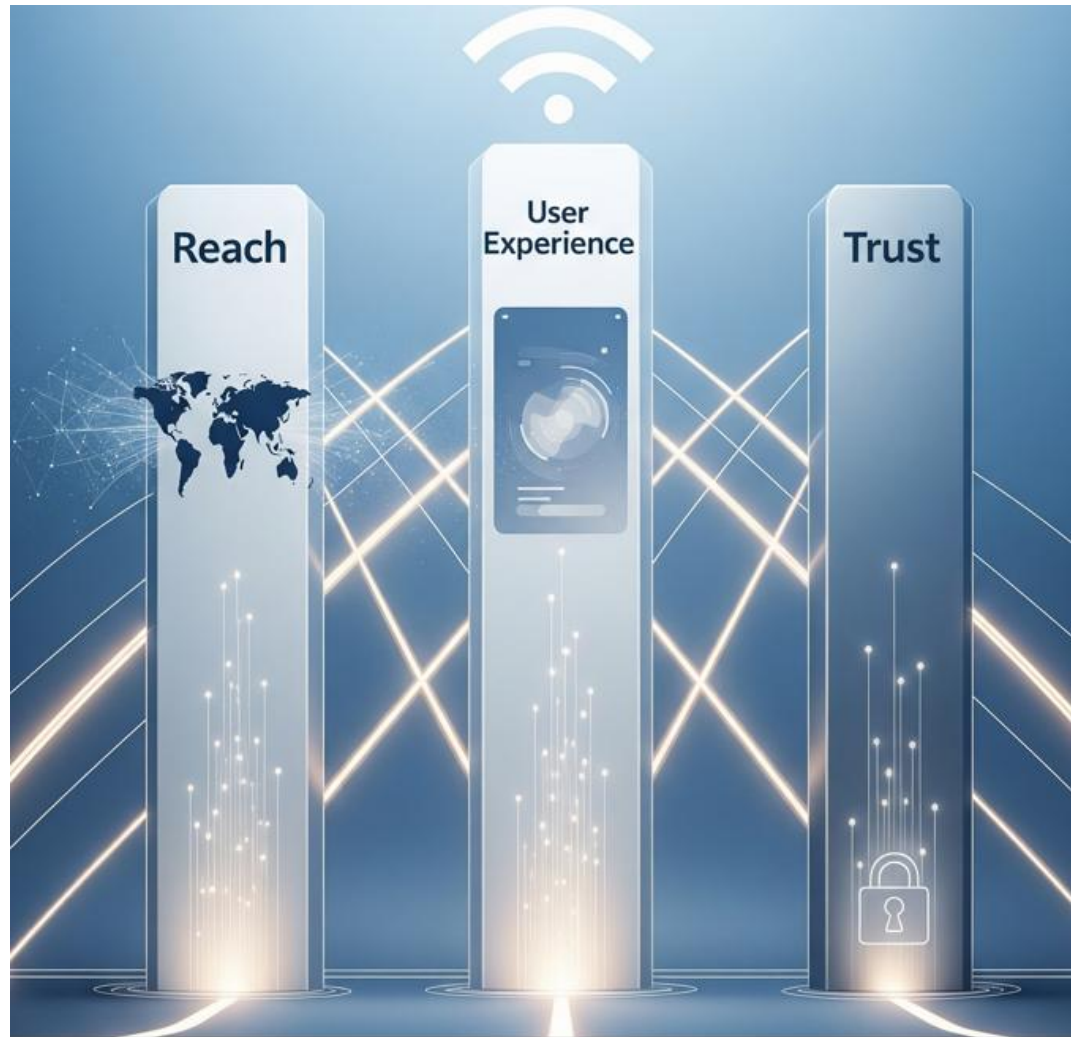

## Aligning for Greater Impact

FPC  
Fall  
Member  
Meeting  
2025

**REACH:** Expand faster payment networks domestically and internationally.

**EXPERIENCE:** Help market participants develop and scale end-user experiences for successful use cases.

**TRUST:** Enhance trust in faster payments among all stakeholders.

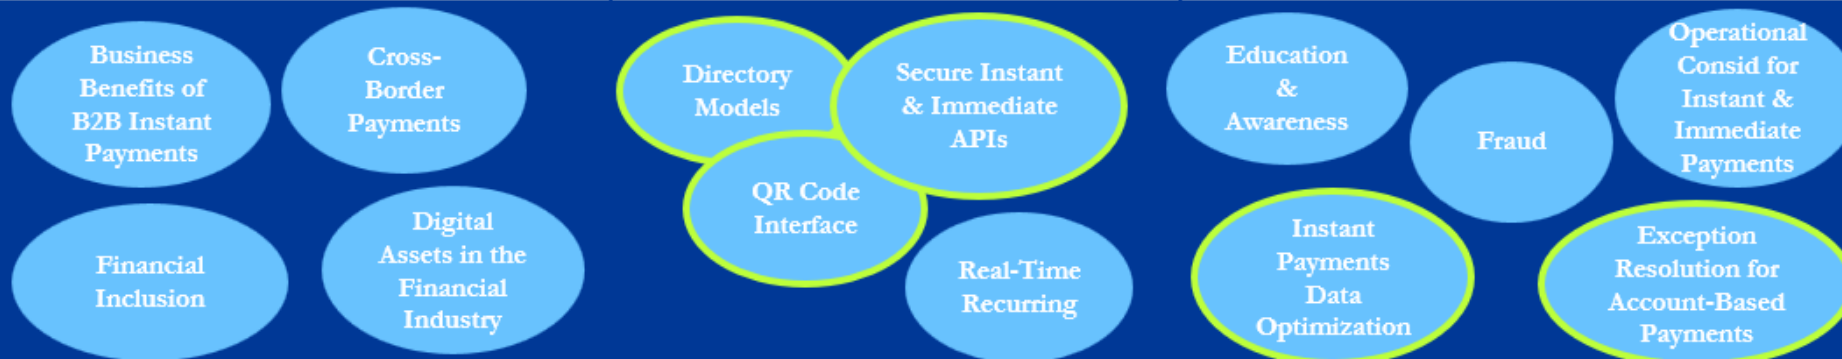

## FPC work group activities:

- Advance the FPC's strategic priorities of Reach, Experience, and Trust.
- Solve real-world problems and achieve measurable outcomes.
- Adapt to changes within the faster payments ecosystem.

## FPC Work Streams

REACH	USER EXPERIENCE	TRUST
Grow the network reach of faster payments connectivity and ubiquity for all market segments and increase the number of participating stakeholders.	Leverage tools, services, and technology that fosters seamless enablement to advance faster payments adoption.	Resolve the trust related challenges financial institutions face with faster payments. Specifically in fraud, risk, dispute resolution, and operational readiness in a real-time 24x7 environment.
<ul style="list-style-type: none"> <li>• Expand access to faster payments for all market segments.</li> <li>• Increase consumer and business awareness of faster payment options.</li> <li>• Enhance connectivity and ubiquity.</li> <li>• Increase participation (financial institutions, business end users).</li> </ul>	<ul style="list-style-type: none"> <li>• Enable end-to-end infrastructure to support sending and receiving of faster payments:               <ul style="list-style-type: none"> <li>◦ Payment authorization and authentication services.</li> <li>◦ Integration of end user interfaces (e.g., QR code technology).</li> <li>◦ Ubiquitous alias tools and tokenization techniques.</li> <li>◦ Uniform practices in Request for Pay and APIs.</li> <li>◦ Conduct proof of concept testing.</li> </ul> </li> </ul>	<ul style="list-style-type: none"> <li>• Improve the accessibility to fraud detection tools.</li> <li>• Enhance the dispute and error resolution framework.</li> <li>• Activate beneficial use cases that achieve the broadest reach and deliver the greatest benefit.</li> <li>• Enhance faster payments rules and standards.</li> <li>• Provide guidelines, training and technical documentation.</li> <li>• Demonstrate the ease of implementation for financial institutions.</li> </ul>

## FPC Work Groups

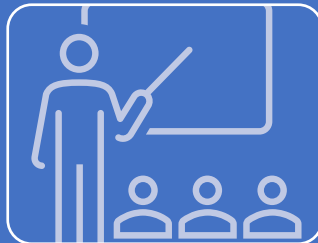

# FPC Roadmap for Work Group Refresh

FPC  
Fall  
Member  
Meeting  
2025

## Phase 1: Initiate & Plan

- Review Work Group Structure
- Announce Refresh
- Evaluate Charters for 2025 Strategy Alignment
- Draft Success Measures

## Phase 2: Evaluate & Prioritize

- Charter Refresh (Reach, Experience, Trust)
- Approve Work Group Charters
- Finalize Success Measures

## Phase 3: Implement

- Implement Approved Charters and Deliverables
- Conduct Iterative Progress Review

# Your Voice, Your Impact: Get Involved

- **Strategic Priorities:** Expand Reach, improve User Experience, build Trust.
- **Measurable Impact:** Built on the voice of the industry and our members.
- **Member-Driven:** Your participation is critical to our success.

- **Explore Work Groups:** Visit [Work Group Summaries Updates | Faster Payments Council](#) to learn more.
- **Explore Industry Resources** and be part of the solution by sharing our: [Guides & Research | Faster Payments Council](#)
- **Connect:** Reach out to Work Group Chairs or the FPC Team [memberservices@fasterpaymentscouncil.org](mailto:memberservices@fasterpaymentscouncil.org)

# Your Voice, Your Impact: Get Involved

## Key Opportunities to Engage

### 1. Faster Payments Standards

- **Contribute to the Future:** Join the new FPC-ASC X9 Standards Steering Committee to help shape the next generation of faster payment standards.
- **Get Involved:** Nominations to open 1Q 2026.
- **Learn More:** Visit the registration desk.

### 2. Instant Payments Fraud Study

- **Provide Your Insights:** Share your perspective on instant payments adoption and fraud challenges.
- **Act:** Complete the survey available at the registration desk.

### 3. FPC Hackathon: Build the Future

- **Innovate Together:** Join our hackathon to build an open alias directory and APIs to enable instant payments.
- **Sign Up Today:** Stop by the API information desk to learn more and register.

### 4. Faster Payments Use Cases

- **Share Your Story:** Help showcase the real-world impact by recording your use case.
- **Be Heard:** Visit the recording booth near the registration table to participate.

**Call to Action!**

**Your expertise is crucial to our success**

**Visit the FPC registration, API desk, and Use Case booth to learn more.**

# Thank you for driving impact together!
