Officer  
Dwolla

# Discussion question 1

FPC  
Fall  
Member  
Meeting  
2025

- What is your current RfP journey?

Where are you with implementation? And which use-cases are most important to you?

# Discussion question 2

- What, in your opinion are the riskiest use-cases for RfP? Why? Provide some insights on the risks connected with the use-cases.

# Moderator questions

FPC  
Fall  
Member  
Meeting  
2025

- What strategies could be used to mitigate some of these risks? Either by the financial institutions or the network?

# Moderator questions

FPC  
Fall  
Member  
Meeting  
2025

- As an industry, what can we collectively do to drive RfP adoption and remove the roadblocks we discussed?

# Questions?
