

# Your FPC Membership: Shaping the Future of Faster Payments

The U.S. Faster Payments Council was launched four years ago as a unique, inclusive membership organization devoted to advancing faster payments in the United States. In 2022, we have made significant progress toward a future of faster payments for all, thanks to the commitment and dedication of members like you.

## Community

**190+**  
Members

driving forward the mission of ubiquitous faster payments.

FPC  
Community

Established FPC Community as a new membership and Work Group engagement channel that includes a Learning Management System with educational video content created in collaboration with Identifee.

## Work Groups
